ST GEORGE
Patron Saint of England
Feast Day: 23rd April

Emperor Diocletian had St. George tortured to make him deny his faith in Christ. However despite some of the most terrible torture even for that time, St George showed incredible courage and faith and was finally beheaded near Lydda in Palestine. His head was later taken to Rome where it was interred in the church dedicated to him.

FROM THE FATHERS
Jesus Is The Good Shepherd
The Good Shepherd Is Good For Us. He whose goodness is his own nature and not some nonessential gift, says, "I am the good Shepherd." He adds the character of this goodness, which we are to imitate, saying, "The good Shepherd lays down his life for the sheep." He did what he taught; he gave an example of what he commanded. The good Shepherd has laid down his life his sheep in order to change his body and blood into a sacrament for us and to satisfy the sheep he had redeemed with his own body as food. The way of contempt for death that we are to follow has been shown us, the mold that is to form us is there. The first thing we are to do is to devote our external goods to his sheep in mercy. Then, if it should be necessary, we are to offer even our death for these same sheep.... If someone does not give his substance to the sheep, how can he lay down his life for them?
