**FROM THE FATHERS
OF MORE VALUE THAN
MANY SPARROWS**

Fear Not. What do you see in creation of less value than a tiny sparrow? But even the sparrow will not fall without God's knowledge. Jesus does not mean that the sparrow falls by God's direct will because it is unworthy but that nothing that occurs is hidden from God. If then God is not ignorant of anything that happens in creation, and if God loves us more truly than the best human father, and if God loves us so as to have numbered our very hairs, than we need not be afraid. Jesus said this not to indicate that God literally has a number placed on the very hairs of our head but rather to show that God has perfect knowledge of everything about us and providentially cares for everything about us. Therefore, if God both knows all things that happen to us and is able to save us and willing to do so, than whatever we may be suffering, we need not think that God has forsaken us in our suffering. For it is not God's will to keep us wholly separated from that which elicits dread but rather to persuade us not to make an idol out of whatever we dread. It is this, more than anything else, that constitutes deliverance from dread. "Therefore, don't be afraid. You are of more value than many sparrows." Don't you see that God views your fear with more concern than the lives of many sparrows? He already knows the secrets of your heart. Hence Jesus adds, "Do not fear." For even if that which you dread prevails, it prevails only over your body; this is the limited part of yourself, which nature will surely take in due time and bring to an end.
