**11TH FEBRUARY 2024 — SIXTH SUNDAY IN ORDINARY TIME**

**"DISCIPLESHIP"**

The Invited Mission continues in Lent. **Ray Brown** will lead our meetings on Mondays after Mass, except for the first week, when the meeting will be on Tuesday, 20th February, after Mass.

**SHROVE TUESDAY  
13th February**

Shrove is the past tense of the English verb "Shrive" which means to obtain absolution for one's sins by way of confession and by doing penance. Christians were encouraged to go to confession in preparation for the penitential season that would end 40 days and 40 nights later with Easter Sunday. Shrove Tuesday became a day for Confession but also a time for Catholics to feast on eggs, sugar and dairy which are traditionally restricted during the Lenten fast.

**FROM THE FATHERS**  
**He Touched Him**  
**Why Did He Touch The Leper?** And why did he touch him, since the law forbade the touching of a leper? He touched him to show that "all things are clean to the clean." Because the filth that is in one person does not adhere to others, nor does external uncleanness defile the clean of heart. So he touches him in his untouchability, that he might instruct us in humility; that he might teach us that we should despise no one, or abhor them, or regard them as pitiable, because some wound of their body or some blemish for which they might be called to render an account... So, stretching forth his hand to touch, the leprosy immediately departs. The hand of the Lord is found to have touched not a leper, but a body made clean! Let us consider here, beloved, if there be anyone here that has the taint of leprosy in his soul, or the contamination of guilt in his heart? If he has, instantly adoring God, let him say: "Lord, if you will, you can make me clean."
